UP CURRENTS BY ROGER Q. WILLIAMS

The day of the "blind leading the blind" in the matter of pilot training passed into the discard here on our out standards should be put on a better system of qualifying instructors for their risky job by raising the standards for a certificated instructor's rating.

At the present time any mediocre pilot with a commercial rating can secure an instructor's rating with little effort, regardless of the poor quality of the applicant's own flying efficiency or limited education.

Single flight instruction is a dangerous and exacting task which few pilots are qualified to do, and, human lives are always at stake, the qualifications for an instructor should be raised to include superior pilot efficiency on the part of the applicant spiced with a working knowledge of adult psychology, character reading, the art of teaching and various types of "Flying Faces."

If such a system were adopted flight training would become a highly specialized endeavor. Standardized procedure resulting therefrom would enhance the quality of both instructor and student and reduce greatly the possibility of common student errors due to poor instruction.

Revoking every instructor's rating until the holder's past record assures the Government that he is a good and reliable instructor would be drastic but a step in the right direction. Future applicants would be required to pass a "specialized course" of instructions for instructors" before being certified.

Youth Rally Band Program At Auditorium

Concluding the revival services now in progress at the Torrance Foursquare church, 1207 El Prado, a Foursquare Youth rally will be held in the Torrance Civic auditorium Monday, April 28, at 7:30 p.m.

The East Los Angeles military band of 35 members will begin playing at 7:00 p.m. Well known youth leader and radio preacher, Rev. Billy Adams, will preach. Johnny Luther, four-year-old boy wonder piano accordionist, will play.

Roy Lane will direct the singing.

Eight Foursquare Gospel churches will gather in the event. Due to the contest now in progress among these churches, between 600 and 700 youths and adults are expected to attend. Everyone is welcome, with a special invitation extended to the youth of Torrance and surrounding communities.

The revival services now being conducted by Evangelist Elmer Henderson and his wife, Esther Henderson, conclude the following services: Thursday 7:30 colored singers. Friday 7:30 divine healing services and the evangelists will preach Sunday at 11:00 a.m. and 7:30 p.m.
